

WEST MUSKINGUM MIDDLE SCHOOL

Message from the Administration

On behalf of the West Muskingum staff, we welcome you to middle school. This handbook is published so that all students in West Muskingum Middle School have easy access to information that will allow for a successful school year. It is essential that parents and students read the Student Handbook.

Since 1975, the West Muskingum Local Schools has had in place a middle school program. The program is based on the belief that effective fifth, sixth, seventh and eighth grade education can take place in a setting that combines basic skills development, academic achievement, exploratory programs and personalized self-development.

Middle school students present a special challenge to educators and to parents. They represent a variety of academic abilities and interests, different motivational and achievement levels, and a wide range of personal and developmental concerns. A successful middle school program must provide opportunities for growth and learning to accommodate all these differences among students.

We strive to foster a partnership between home and school and look forward to working with you throughout the school year. Please contact us at any time with questions, concerns, and suggestions, since your input is extremely valuable in providing the best possible education for each of our students.

*Let's have a great school year! **GO TORNADES!***

STUDENT CODE OF CONDUCT

It is the desire of the faculty and staff at West Muskingum Schools to provide each student with the best education possible. In order to insure this, a STUDENT CONDUCT CODE is in effect and will be enforced. Please read the code carefully.

RIGHTS AND RESPONSIBILITIES - Students attend West Muskingum Schools under the direction of state law and with the full benefits of constitutional protection for their rights as citizens. They therefore, can act, speak, or behave as young citizens within a large scope of options. This code, published in conformity with O.R.C. 3313.661, specifies the school expectations.

Pupils have a right to reasonable treatment from the school and its employees. The school, in turn, has a right to expect reasonable behavior from students. Freedom carries with it responsibilities for all concerned.

RULE 1 - Disruption of School

A student shall not, by the use of violence, force, coercion, threat, profanity, lying or by any other method cause disruption, obstruction, or other interference with the educational process.

RULE 2 - Damage of School Property

A student shall not cause or attempt to cause damage to school property, including school busses, building, grounds, equipment, or materials. (Students in violation of this rule may be required to pay the replacement cost of damaged property. If a school custodian is used to repair damage, the custodian's hourly rate will also be assessed in the total bill.)

RULE 3 - Damage of Private Property

A student shall not cause or attempt to cause damage to private property on school premises, or at any school activity on or off school grounds.

RULE 4 - Fighting

A student shall not engage in fighting with other students even if he/she has been provoked. Students are strongly encouraged to seek out an adult should an incident arise where they are threatened.

RULE 8 - Substance Violations

It is a primary objective of the West Muskingum Schools to assure that the education of all shall proceed in an efficient, orderly, and non-disruptive manner. The sale, use or possession of intoxicants, illegal drugs or other controlled substances on school premises is an obstacle to that objective and an interference with the rights of students to receive quality academic instruction. While student drug education and referral to community resources will continue to be made available, such measures should be viewed as instructional or rehabilitative and will not ordinarily be considered as an alternative to disciplinary measures.

No student shall knowingly possess, use, be under the influence of, sell, offer for sale, purchase, offer to purchase, give, receive, or transmit any substance which is, represented as, or understood to be any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, opiate, opium derivative, alcoholic beverage, stimulant, or depressant of any kind while at school, on school property, at any school-related function, or on a school bus or rented carrier. The student may be suspended, expelled, counseled in school, referred to an outside agency, and/or reported to the proper law enforcement authorities. WITHDRAWAL

Student should advise teachers and secretaries of withdrawal. Teachers should collect school materials.

ATTENDANCE POLICY

Continuity in the learning process is seriously disrupted by excessive absences. In most situations the work missed cannot be made up adequately. Students who have good attendance generally achieve higher grades, enjoy school more, and are more employable after leaving high school.

School attendance is closely related to school and life success. Therefore, the legal, as well as the West Muskingum Local School District, attendance regulations are as follows:

The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the schools during the days and hours that the school is in session, or during the attendance sessions to which she/he has been assigned.

In accordance with statute, the Superintendent shall require, from the parent of each student of compulsory school age or from an adult student who has been absent from school or from class for any reason, a statement of the cause for such absence. The Board of Education reserves the right to verify such statements and to investigate the cause of each.

Repeated infractions of Board policy regarding attendance may result in suspension or expulsion.

The Board considers the following factors to be reasonable excuses for time missed at school:

- personal illness (A written physician's statement verifying the illness may be required.)
- recovery from accident
- required court attendance
- death in family
- illness in the family (the absence under this condition shall not apply to children under fourteen (14) years of age)
- quarantine of the home
- necessary work at home due to absence or incapacity of parent(s)/guardian(s)
- observation or celebration of a bona fide religious holiday
- such good cause as may be acceptable to the Superintendent
- Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where school is in session by authority of the Board.

- The Board shall consider each student assigned to a program of other guided learning experiences to be in regular attendance for the program provided that she/he reports to such staff member she/he is assigned for guidance at the place in which she/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study.
- The Superintendent may excuse a student over fourteen (14) years of age from attendance at school for a future limited period for the purpose of performing essential work directly or exclusively for his/her parents or guardian. Such excuse should not exceed five (5) days and may be renewed twice if necessary in any one (1) school year

If a student is going to be absent, the parent must contact the office by 9:00 a.m. and provide explanation. When calling before or after school hours, please leave a voicemail.

HB 410

The Ohio House of Representative submitted HB 410 concerning truancy. The Governor signed it into law in January of 2017. Beginning with the 2017-18 school year each school district is required to develop an intervention strategy for all of the following actions:

- Providing a truancy intervention plan for any student who is absent from school in an amount that surpasses the threshold for habitual truant.
 - Habitual truant is any student who is absent without legitimate excuse for 30+ consecutive hours or 42+ hours in a school month or 72+ hours in a school year.
- Providing counseling for a habitual truant:
- Requesting or requiring a parent, guardian or custodian to attend a parental involvement meeting.
- Requesting or requiring a parent, guardian or custodian to attend a truancy prevention mediation program.
- Notification of the Registrar of motor vehicles.
- Taking legal action.

The attendance officer must notify the child's parent, guardian or custodian if the child is absent with or without legitimate excuse for 38+ hours in one school month or 65+ hours in a school year. The notice must be made in writing within 7 days after the date of the absence that triggered the notice. Within 10 days after the absences surpass those for habitual truancy, the school principal or district superintendent must assign the student to an absence intervention team. Within 14 school days after the assignment, the team must develop an intervention plan for the student in an effort to reduce or eliminate further absences.

A student wishing to be involved in any extracurricular activity must be in attendance a minimum of 3 ½ hours on the day of the event. Extenuating circumstances will be considered.

Truancy is defined as being out of school or class for a reason other than the reasons listed under the Ohio Revised Code (ORC). Truancy from school or from study hall will result in disciplinary action.

PLANNED ABSENCE

According to Ohio Law, days missed for family vacation, college visitation, and educational activities sponsored by organizations other than the school are not legal absences. However, it is recognized that circumstances may cause a parent to request that a student be out of school for one of the above reasons and a planned absence policy has been adopted by the Board of Education.

When a student is suspended, when possible, assignments should be completed during the suspension and due upon their return to school. When possible, any missed tests will be given upon the student's return.

School field trips or school-sponsored activities do not count as class absences.

The parent may appeal to the Superintendent of School, in writing, any action of the administration that does not reflect the intent of this policy.

GENERAL INFORMATION

CALENDAR

Visit westmuskingumschools.org for the latest calendars.

GUM

Students will not be permitted to use chewing gum at school.

CARE OF PROPERTY

Students are responsible for the care of their own personal property. The school will not be responsible for personal property, including valuables, such as jewelry, mp3 players, cell phones, cameras or irreplaceable items.

Damage to or loss of school equipment and facilities wastes taxpayers' money and undermines the school program. Therefore, if a student does damage to or loses school property, the student or his/her parents will be required to pay for the

replacement or damage. If a school custodian is used to repair damage, the custodian's hourly rate will also be assessed in the total bill. If the damage or loss was intentional, the student will also be subject to discipline according to the Student Discipline Code.

DISTRACTIBLE ITEMS

Students may not bring to school any item that is not related or could cause an interference with the educational program, such as fidget spinners or any distractible device, unless prescribed by a doctor. Upon violation the item may be confiscated and kept in the office for pick up by a parent/guardian.

DISMISSAL

Students walking to the high school or elementary must exit the front door near the office. Students who will be walking to the elementary or high school must have permission from a parent on record in the office.

EARLY ARRIVAL/DISMISSAL

Students should be dropped off at the door at the east end of the building. Students are to report to the gym or cafeteria when they arrive.

Students are in academic classes until dismissal. It is the school's hope that early dismissals will be requested only when absolutely necessary. Legitimate reasons for early dismissal will be accepted providing a note signed by parents is presented at school. The following are not considered legitimate and will not be approved: shopping trips, haircuts, beauty appointments, etc.

Students seeking an early dismissal should report to the office before their first class period with a note stating the reason and time to be excused. The office will call the student's teacher at the time of the dismissal. The student should then sign out in the office, where the parent is required to meet the student. The students are expected to return to school after appointments, if possible. When returning to school before the day is over, the student is to sign in at the office and pick up an admit slip to return to class.

ELECTRONIC ITEMS (including cell phones, smart watches, and mp3 players)

Electronic items are to remain turned off throughout the school day and kept in lockers, unless approved by a teacher for academic purposes. Smart watches are not to be used for communication or entertainment purposes while at school.

Electronic items used improperly may be confiscated and kept in the office for pick-up, following disciplinary action against the offending student, which may include law enforcement agencies, when appropriate.

Given rapid changes in technology, this policy is subject to change as needed.

FEES

The instructional materials fee helps provide for the purchase of classroom materials. This fee should be paid to the homebase teacher during the first semester of the school year. Failure to pay will result in the withholding of report card.

Student Handbook

Food Services

We utilize a pre-pay system in the cafeteria. All students will be issued a PIN number which they enter before approaching the cashier. Their purchase amount will either be deducted from their account or the student will pay at that time.

An online resource to assist in monitoring meal balances, viewing transactions, making payments and setting up low balance alerts, is available through our website at www.westmschools.org. You will need your student's ID number to register,

or

You may choose to remit a check or cash with your child to their building of attendance.

Lunch deposits should be made by students or parents in the cafeteria in the mornings. Parents can limit their child's purchases, and/or request a record of purchases, by contacting the cafeteria staff.

It is the policy of West Muskingum Schools that no student will miss lunch because lunch money is forgotten. Students may secure two lunch charges under the following guidelines:

1. The regular price lunch charge will entitle the student to a type A lunch.
2. The lunch charge must be paid the next day.
3. Students will not be permitted to buy "extras" if they have an unpaid charge.

Parents will receive a notice of unpaid lunch charges either in writing or by an automated notification system.

For menus and pricing, please visit the school's website. Other extras such as pizza, salad, peanut butter and jelly sandwiches are available.

Parents and other family members are welcome to eat lunch with their child.
Please phone the school by 9:30 a.m. to order adult lunches.

No student is permitted to leave the school grounds during the lunch period. Food is not to be ordered in and delivered to the school by outside vendors.

ILLNESS OR INJURY AT SCHOOL

When a student becomes ill during the school day, he/she should secure permission from the teacher to report to the school office. This student will be checked by school personnel and, if necessary, parents will be notified. Repeated visits to the office for treatment will result in a parent contact and a recommendation to consult the family physician.

If it is necessary for a student to take medication at school (non prescription or prescription), the medicine is to be kept in the office. The student should come to the office to take the medication at the proper time. (See District Policy 5330 Use of Medications) District authorization forms must be completed before any medication can be dispensed by the school.

INSURANCE

Accident insurance is available to all students who wish it. Information for securing this will be available to students in September. Parents requesting further information about this may contact the school office.

SCHOOL AND PHYSICAL EDUCATION LOCKER ASSIGNMENT

Each student will be assigned a school locker. Lockers are assigned at the beginning of the year and are to be cleaned and maintained by the students. No pornographic materials are to be in lockers. Magnets are encouraged to display items in and/or on lockers rather than tape. Lockers may be used before and after school, during lunch, and at designated times. Lockers remain the property of the school.

In order to protect belongings, each locker must be kept locked and used by the assigned student only. The school is not responsible for lost or stolen items. Students may use a school lock for their P.E. locker, or they may provide their own lock. If a student supplies his/her own lock, it is the student's responsibility to give the combination/key to one of the P.E. teachers.

LOST AND FOUND

Lost and found items will be kept in a pre-determined location. If not claimed, they will be given to a charitable organization at the end of each grading period.

PHONE USE

Students may request the use of the office phone for emergency calls. Parents and students should make every effort to ensure that after school plans are made in advance. Parents are advised that the best way to contact your child at school is through the school office, (740)455-4055. Board Policy 5136.

PROGRESSBOOK

Parents are provided a registration code from the office which will allow you to log on and monitor your child's grades, assignment completion and homework assignments. If a student is absent from school, ProgressBook should be used to obtain school assignments. This information will be mailed to the home in the beginning of the school year. If current assignments are not on ProgressBook for a particular teacher, please notify the teacher.

SCHOOL CLOSINGS

In the event of inclement weather, school closings will be reported on local radio and television. Parents are encouraged to tune into the Zanesville stations for such information. Parents are also encouraged to have an alternative after school plan in case of emergency dismissals due to weather, etc.

SEARCH AND SEIZURE

Search of a student and his/her possessions, including vehicles, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of law or school rules. A search may also be conducted to protect the safety of others. All searches may be conducted with or without a student's consent.

Students are provided lockers, desks and other equipment in which to store materials. It should be clearly understood that this equipment is the property of the school and may be searched at any time if there is reasonable suspicion that a student has violated the law or school rules. Locks are to prevent theft, not to prevent searches. Bookbags are not permitted in classrooms. They must be kept in the student's locker, except by teacher/administrative permission.

Anything that is found in the course of a search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The school reserves the right not to return items which have been confiscated.

STUDENT SALES

No student is permitted to sell any item or service in school without the approval of the principal. Violation of this may lead to disciplinary action.

STUDENT WELL-BEING

Student safety is a responsibility of the staff. All staff members are familiar with emergency procedures such as fire and tornado drills and accident reporting procedures. Should a student be aware of any dangerous situation or accident, she/he must notify any staff person immediately.

State law requires that all students must have an emergency medical card completed, signed by a parent or guardian, and filed in the School office. A student may be excluded from school until this requirement has been fulfilled.

Students with specific health care needs should submit those needs, in writing and with proper documentation by a physician, to the school office. All medications, prescribed and non-prescribed, are to be delivered to the school office and taken only with adult supervision. The principal is available to discuss the procedure for

medications and treatments. No medications or medical treatments are to take place in school without his/her knowledge.

TEXTBOOKS AND OTHER MATERIALS

Textbooks and learning materials issued to students become his/her responsibility. If these materials become lost or damaged, the student and/or his/her parents will be requested to pay for the damaged materials. Book covers may be required for textbooks.

VISITORS

Students from other schools, absent from their own school, are welcome only if they are here as the official representative of their school. This arrangement must be established by the sending and receiving schools.

Boyfriends, girlfriends or friends from outside the student body may not visit during the school day.

Parents are encouraged to visit the school and eat a school lunch with their child.

Any visitor entering the school should report to the office upon arrival.
